“Education for life”

Dear Parent(s)/Guardian(s)

OUR APPROACH AND UNIQUENESS TO OUR STUDENTS

Kampala Montessori School is **dedicated to offer quality education programs for 3 to 6 years old**; based on Dr. Maria Montessori **philosophy**. The Montessori Philosophy, **aims to aid the child to aid himself by using the special designed materials to develop an awareness of reality in life adventure**. The child works in an atmosphere of **freedom of choice and responsibility**.

Different areas of interest such as: **practical Life, Sensorial, Language, Mathematics, and Cultural papers** are set; and **logically arranged to introduce him to the whole of reality of life situation**. Such classroom environment, enables a child **to be motivated, to explore, discover new things, builds concrete academics background and becomes creative**. It also enables a child **to develop his social sense of humanity respectfully, and becomes an independent trustworthy person in decision making**.

The Montessori Method is **“Education for life”**.
